

Jira screenshots

Sprint 1 (High Priority)

The screenshot shows the Jira interface for the 'bookeroo-group-6' project. The left sidebar contains navigation options: Roadmap, Backlog (selected), Board, Project pages, Add shortcut, and Project settings. The main area displays the 'Backlog' for the project. A search bar and filters (H, DN, LV, AV, DB) are visible. Below the filters, a sprint named 'BG6 Sprint 1' is active, running from 15 Aug to 1 Sep, with 9 issues. The issues are listed with their IDs, descriptions, assignees, and status. The status of each issue is 'TO DO'. The sprint summary shows 39 issues in total, with 0 completed and 0 in progress. A 'Start sprint' button is visible. At the bottom, there is a '+ Create issue' button.

The screenshot shows the Jira issue detail view for issue BG6-1. The issue title is 'As a public user, I want to be able to sell/share used books, so I can get rid of the books that I don't require'. Below the title, there are buttons for 'Attach', 'Add a child issue', and 'Link issue'. A 'To Do' button is also visible. The description field contains the text 'User story to be finished by David'.
